- What do we need to plan? (Time, place, equipment, cost, etc.)
- What safety aspects do we need to consider? How are we reducing the risk?
- Who is participating in this activity? Who is going to lead the activity?
- What are we going to do with the money? Who is going to look after it? How will it be distributed?

## DO

- Is everything going to plan? Do you need to make adjustments to your original fundraising plans?
- How are you going with leading the project? Do you need any assistance from others? (youth or adults)
- Is everyone having fun? Does everyone have a role to play in helping out?
- Are you on track to achieving your fundraising goals? If not, what changes do you need to make?

## REVIEW
