

YOUTH LEADING, ADULTS SUPPORTING CHECKLIST

ROVER SCOUTS

- We are responsible for our program and the management of the Crew.
- Members of the Crew lead all activities including their planning
- Our Crew Leader is responsible for the organisation and management of our Unit.
- Our Crew Leader and Executive are responsible for supporting all members through their Roving.
- Our Crew Leader and Executive are responsible for supporting the resolution of issues within the Crew
- We teach and train other Rovers.
- We actively participate in activities outside our Crew.
- We look out for the wellbeing of other members in our Crew.
- We all support each other in our Crew
- All Section members have the opportunity to set our own personal development goals including achievements in the award scheme
- We use The Scout Method and SPICES when reviewing our program and learn from these reviews to enhance the next activities we do
- We develop supporting documentation (such as risk management strategies) for activities.
- We lead, assist and support the program for the younger sections in our Group
- We set the standard of behaviour in our Group
