Law and Justice

Plan ▶

- What does your Unit Code say about justice?
- What does 'peace' mean to you?
- Is your community/Group an 'institution'?
- How can you strengthen your community or Group?
- What are some activities you can do to spread peace?
- Do you know anyone that has lived in a place without peace?

Do ▶

- Talk with or read about a person that has lived in a place without peace
- Discuss your Unit Code and if it needs to be changed to improve justice or peace
- Do some activities that you planned about spreading peace
- Act on a project that improves the strength of your Community or Group

Review ▶

- How often should you review your Unit Code?
- What can you do to make sure peace is promoted in your community?
- What would you improve in your activities next time?
- How can you review the strength of your Group or Community in an ongoing manner?

Share your experience with your peers and discuss how each of you might tackle this differently next time
