

Scouting at Home

Pitch a tent in your backyard or living room	Make up a new game and play it with a family member	Make three kinds of paper airplanes and see which flies farthest	Make an indoor scavenger hunt for a family member by hiding clues for them to find.	Make a foil packet dinner to cook in an oven or grill
Design a poster to teach people about caring for the environment	Build the tallest tower you can using spaghetti and marshmallows	Make your own musical instrument using items from around the house and make up a song	Make a cartoon, comic, or storyboard to tell a story about a fun scouting adventure	Write a letter or email to someone in a hospital or nursing home
Make up an exercise routine to practice daily for a week	Make a sundial with a paper plate and a pencil. Look online for instructions	CUB SCOUTS	Make a blanket fort and camp out in your living room	Take a hike through your neighbourhood or local park. Collect rubbish along the way
Write a letter or email to a Veteran to say thank you for their service	Learn and practice two new knots you didn't know before	Make up a new skit 2-3 minutes long	Make a time capsule & fill w/ 10 things that represent who you are. Hide it and don't open it for one year	With help from a parent, make a family tree showing at least three generations
With help from a parent, plan and prepare a meal for your family.	Set up an obstacle course and race against a family member	Build a boat out of recycled materials and test it in the bathtub	Think of a helpful chore you can do to help out with daily for one week	Paint, draw, sketch or colour a self portrait
