Layouts

A Modular grid is to be utilized for layouts. This grid is to be used to contain all information; Scouts Logo, Gumtree graphics, Imagery & Typography.

This has been designed for each Scouts group to create fully customisable Banner designs.

Content is able to span, 1-5 columns wide and/or rows tall. While Gumtree graphics BVL is able to run the entire width or length of the banner and also has the flexiblity to run across grid lines as long as it doesn't intrude on any typography.

Please only use imagery layouts on the inside of the gazebo. The outside may only contain large scale BVL and Scouts Australia, Branch or scout group branding.

Please refer the Scouts Australia Brand book for correct use of all elements.

Sizing

Sizing may differ between suppliers. Please use visuals as a guide only.

Should the grid not fit the required size, please scale the grid to the height of the banner and centre the grid to the width of the banner.
