Plan>

1. Research paper cranes and their meaning.
2. Read the story about Sadako and the Thousand Paper Cranes.
3. Does anyone in your Unit know how to fold a paper crane and want to teach the rest of the Unit?

4. If not, find an instructional video or document to teach you how to make paper cranes.

4. Buy origami paper or find some square paper.

Did you know you can make an A4 piece of paper into a square too?

Do>

1. Learn how to fold a paper crane. You could thread them to make a hanging installation at your hall or even make a thousand paper cranes for a cause.

Review>

1. Do you now know how to make a paper crane?
2. Did you like the story?

(There is another Challenge Card on how to run a Branch Friendship Tour.)

Did you know about the Scouts International Student Exchange Program (SISEP)?

(There is also another Challenge Card on SISEP.)
