## Plan>

1. Find an area at your Scout Hall where you can create a small garden.
2. Measure the area and make a list of materials needed to create a garden border or planter box.
3. Research plants or vegetables that grow well in your area.

Alternatively, find a community garden near you and research how you can contribute.

## Do>

1. Collect the materials to make the garden border or planter box.
2. Build the garden or planter box.
3. Place your plants or vegetables in the soil.
4. Continue to water the plants as they grow.

## Review>

1. Did you have fun?
2. What did you learn?
3. Do you look forward to the continued care of your project?
