

# Challenge Card

## SDG 10 - Reduced Inequalities

# Personal Growth

Sustainable Development Goal 10  
Reduced Inequalities

### Key SPICES Growth

Social

Physical

Intellectual

Character

Emotional

Spiritual

### Likely Scout Method Element/s

Community Involvement

Learning by Doing

Nature and the Outdoors

Patrol System

Personal Progression

Promise and Law

Symbolic Framework

Youth Leading, Adults Supporting

### Best For

Joey Scouts

Cub Scouts

Scouts

Venturer Scouts

Rover Scouts

## Plan>

1. Consider someone who has limited or no eyesight, or someone that uses a wheelchair or has limited mobility.
2. Choose a short route from your Scout Hall to your local park, shop or school that has a variety of obstacles.
3. Collect enough blindfolds for one between two.

## Do>

1. Lead your Patrol on a walk of your selected route looking for obstacles like stairs, uneven footpaths, street furniture, trees or power poles.
2. Discuss with your Patrol any obstacles that you find and how they could be difficult for someone with mobility issues.
3. After reaching your destination, divide into pairs and have one person in each pair wear a blindfold.
4. Return to the Scout Hall in pairs. The person without a blindfold has an important responsibility to avoid hazards and keep the person wearing the blindfold safe. Swap half way so that everyone has a turn of wearing the blindfold.

## Review>

1. Discuss the difficulty of walking the route whilst wearing the blindfold.
2. Consider what things need to be changed to reduce the number of obstacles on the route.
3. Discuss what you can do to help remove some of the obstacles? Maybe write to your local council?
