

Patrol Allocations

The allocation of youth members into patrols has been completed - it was a MAMMOTH task.

Australia will have 20 units at WSJ2023, made up of four patrols. Which patrols are in each unit is yet to be decided. Line Leaders will be told this information to share with their patrols/units by the end of September.

Each unit will run using Venturer methodology, with a Unit Chairman and a Unit Council managing the Unit. The Leaders will be there to assist, advise and mentor as required.

There will be four patrols in each unit consisting of 8-9 youth members and 1 adult leader (mentor). One of the leaders will be appointed as the Unit Leader who will be responsible for the implementation and running of the Unit Council. Please note, the Patrol Number is a placeholder only and we are looking forward to everyone sharing their inspiring and imaginative patrol names when your Units are formed and you start getting to know your fellow patrol members.
