**Re: 25th World Scout Jamboree 2023**

To Whom It May Concern,

Scouts Australia contributes to the education of young people in achieving their full physical, intellectual, emotional, social and spiritual potential as individuals, as responsible citizens, and as members of their local, national and international communities.

The World Scout Jamboree is held every four years bringing Scouts from all corners of the globe together for a once in a lifetime experience. Participants use the opportunity to learn about the diversity of cultures that exist around the world and to become more informed of the social challenges that exist in different communities.

The 25th World Scout Jamboree will be held in Korea in 2023. The Australian Contingent will be departing on Friday 28 July 2023 and returning on Sunday 13 August 2023.

The World Scout Jamboree is an amazing experience that is highly recommended for all young people to attend.

Should further detail be required, please do not hesitate to contact myself at any time.

Yours in Scouting,

Aaron Wardle  
International Commissioner of Australia
