

SCOUTS AUSTRALIA
ADULT RECOGNITION AWARDS 20243
NOMINATION GUIDELINES

(For information only – please do not submit with Nomination Form)

The following Guidelines should be used when making an Adult Recognition Award nomination:

- Adult Recognition Awards are awarded to Adult Leaders, Young Adult Members (Rover Scouts), Other Members and Supporters who have given valuable service to Scouts Australia over an extended period. Such Awards are granted for sustained commitment to the Association, both within and beyond the Adult Leaders, Young Adult members, Other Members and Supporters designated role and responsibilities.
- **Rover Scouts** may be considered for an Adult Recognition Award (defined in R13.5.8) where their contribution to Scouting is beyond the level of service expected of a participant in the Rover Scout section. Where the contribution spans across more than 5 years, then the Rover Service Award (defined in R 9.5) is to be considered.
- These guidelines provide a summary of the provisions which can be found in the current edition of the Adult Member Uniform Standards.
- Many of the Awards are associated with periods of service, but under exceptional circumstances, the typical service period may be reduced to recognise highly intense / complex periods of activity and special effort.
- Corresponding distinctive cloth emblems (for wearing on uniform) and certificates are issued with Awards. A Scouts Australia **lapel pin** for wearing in **civilian dress**, is issued when the first Award is presented.
- A nomination may be initiated by any Member ([Adult or Youth](#)) or Formation of Scouts Australia and may be sent directly to the relevant Branch Chief Commissioner.

To be considered for an Award the Nominee must meet the following criteria:

- Carrying out the responsibilities of their current position in Scouting, Certificate of Proficiency or non-uniformed management role to the highest standard which contributes to Youth membership growth or the wellbeing of Scouting.
- Promoting teamwork and a positive attitude in mentoring fellow Adults in Scouting.
- Demonstrating leadership qualities which inspire enthusiasm among other Adults in Scouting and/or Young Adult members.
- Providing ideas for the future direction of Scouting and demonstrating how they can be implemented to contribute to the development of Youth and / or Adults influenced by their role.
- For the higher Awards, contributing to wider Scouting (including Internationally) by involvement in activities beyond the level of responsibilities normally expected in the appointment or management role held.
