## The Lord-Baden Powell Society Needs Your Financial Support

As a Valued Supporter of the Scout Movement, we are making an appeal to you to become a financial supporter of the Lord Baden-Powell Society. Should you wish to join the Society, your contributions will benefit the future of Scouts in Australia.

Over the past 39 years, the Lord Baden-Powell Society has been supporting Youth Members to attend and participate in major Scouting Events such as the Australian Jamboree, International Jamborees and the Australian and NZ Ventures just to name a few.

Before the pandemic hit in 2020, the Society approved over \$100,000 in funding during the 2018-2019 period to support young people across Australia. In 2022 and 2023, we have so far distributed a total of \$89,500 for 3 major events.

In addition to our Jamboree Fund, the Lord Baden-Powell Society needs financial supporters for its Gift Fund. For as little as \$195 per year you can join as Member, or you can be a Patron donating \$1200 yearly. With these funds, you will be supporting the Scouting movement across Australia.

Please do not hesitate to contact me to find out more on becoming a financial donor to the Lord Baden-Powell Society on (02) 8440-5908, or send me an email at: [lbps@scouts.com.au](mailto:lbps@scouts.com.au)

I look forward to hearing from you.

Thank you.
