

Position Description

PATROL ADULT LEADER

Reports to	Contingent Management Team (CMT)
Works with	New Zealand Jamboree Troop Leader Australian Contingent Health & Wellbeing Team

Why does my role exist?

The Australian Contingent to the 23rd New Zealand Jamboree includes 78 Patrols of Australian Scouts. As a Patrol Adult Leader, you will support and mentor one of these Australian Patrols to ensure they have a safe and enjoyable experience during their time in New Zealand. In the lead up to the Jamboree, you will facilitate face to face or online opportunities for your Patrol members to connect and get to know each other before their Jamboree experience begins.

Where do I fit in?

As a Patrol Adult Leader, you will report to the Contingent Management Team. You'll work alongside New Zealand adult Leaders in your assigned Jamboree Troop. As needed, you'll collaborate with the Australian Contingent Health & Wellbeing Team to support the physical and mental health of youth members in your Patrol.

What does the role involve?

- Support and encourage youth members allocated to your New Zealand Jamboree Patrol to engage fully in the youth program for the duration of their International Scouting experience.
- Help youth members in your Patrol to connect with each other during the Pre-Jamboree Camp in Auckland.
- If attending the Post-Tour, support and encourage youth members in your Patrol to engage fully in the tour program.
- Communicate with your New Zealand Jamboree Troop Leader prior to departing Australia.
- Organise a gift for your New Zealand Jamboree Troop.
- Facilitate contact between youth members in your Patrol before we depart Australia, using electronic or face-to-face meeting opportunities.
- Attend onsite briefings and actively remain informed.
- Liaise with Australian Contingent Health & Wellbeing Team regarding health, wellbeing or behavioural issues relating to members of the Australian Contingent.
- Work with other Leaders in your New Zealand Jamboree Troop to support all youth members (Australian or otherwise) to have a fantastic Jamboree experience.
- Support youth members who require medication to ensure medication is administered as directed by information provided by parents/guardians.
- Maintain records relating to medication for youth members of your Patrol.
- Promptly complete incident reports as required using the process communicated by the Australian Contingent Management Team.
- Take time to manage your own wellbeing and seek support from the Australian Contingent Health & Wellbeing Team as necessary.
- Have fun!
