

SCOUTS AUSTRALIA - ROLE DESCRIPTION

National Advisor – Risk (International)

Role Title	National Advisor – Risk (International)
Business Unit	International Team
Reports to	International Commissioner of Australia
Role Level	Uniform Role, Volunteer
Appointment	The appointment is for a fixed term of up to 3 years

Scouts Australia is a Child Safe organisation. Scouts Australia is inclusive of all, regardless of gender, sexuality, race, religion, or abilities and does not tolerate any form of harm, abuse, or neglect.

OBJECTIVE

The aim of Scouting is to encourage the spiritual, physical, intellectual, emotional, social and character development of young people to enable them to become resilient, self-confident and responsible citizens.

This is achieved through an active, adventure-based program, which develops initiative, teamwork and leadership skills so young Australians can attain their full potential, both as individuals and members of their local, national and international communities.

Scouting is the largest non-formal educational youth organisation in the World with over 50 million members. In Australia, Scouting has a membership of approximately 70,000, of which approximately 50,000 are youth members or young adults with the remainder being older adults supporting the delivery of the program.

ROLE OBJECTIVE

The National Advisor – Risk will play a pivotal role in advancing the core objective of Scouts Australia. Entrusted with the critical task of supporting the International Commissioner of Australia (ICoA) to ensure the management and mitigation of risk across the International portfolio continues to be a key priority, this position is central to the ongoing safety, development and reputation International Scouting.

The National Advisor – Risk role exists to support the ICoA with overseeing, coordinating and providing advice on risk assessments and mitigation strategies, supporting due diligence processes and continual improvement. Additionally, this role will play a role in developing the broader International Team's understanding and utilisation dynamic risk assessment practices. The National Advisor – Risk may also be called upon to provide advice and support to Branch International Friendship Tours (BFTs), if requested.

The National Advisor – Risk will work closely alongside the ICoA and members of the International Team including the Deputy International Commissioner, Contingent Management Teams (CMTs), Branch International Commissioners (BICs), Program Coordinators, the National Support Team (NST) and National Risk Committee, among others to ensure relevant initiatives and projects are implemented where relevant across the portfolio.

This role is in addition to your regular Scouting role. initially, the role will require some additional time but will eventually be called upon on as needed. The workload will vary significantly depending on the year and how many Contingents and Groups travelling. As such, this is not considered a primary role and could be completed alongside a Primary Scouting role such as Youth Program Leader or Program Support Leader.

Applicants should consider the time they have available to be able to accommodate this contribution, taking into account their personal, work and/or study requirements, both at the time of applying but throughout the duration of the role.
