

Scouts Australia Institute of Training (SAIT) (RTO: 5443)

PROJECT MANAGEMENT

QUALIFICATIONS

Project Management reflects the role of individuals who apply project management skills and knowledge in a variety of contexts, across a number of industry sectors. The job roles that relate to this qualification may include Project Manager and Project Team Leader. Individuals in these roles have project leadership and management roles and are responsible for achieving project objectives.

In the leadership and management of Scouting projects or events, such as Gang Show, Jamboree or International Contingents you can demonstrate a range of specialised, technical and managerial competencies and to Plan> Do> Review> your own project management and/or the work of others.
