

Get #Outsideln25 for New Adventures!

In 2025, we're supporting all members to build their Outdoor Adventure Skills through fun and challenging activities across the year. #Outsideln25 is a challenge for everyone – from Joey Scouts to Rover Scouts. Challenge yourself by completing different Outdoor Adventure Skills (OAS) progressions or planning a big adventure with your Patrol.

Our aim is to get young people trying new things in the outdoors in 2025!
