

## Reflect & Refine

### Youth Program Leaders

Take a step back and tell us what's working, what's not, and what's next in your Group's program delivery. Lead this conversation with the Youth Program Leaders in your Group and share what you discuss.

**Overview:** Scouts Australia is currently gathering feedback on your experiences delivering the Achievement Pathways so that we can make delivering the program easier and more impactful. This forms part of Key Move 1 of our 2023-2027 Strategic Plan.

At your next Group Council, or through separate conversations with each section team, we request Group Leaders use this discussion guide with the adult Leaders in your Group and submit your responses using the form. Please submit only one response per Scout Group; all responses are anonymous unless you choose to share your details for potential follow-up.

When providing your responses, please indicate which Units within your Group the responses relate to (Joey Scouts, Venturer Scouts, all etc).

**Time required:** 20-30 mins

#### Recording and submitting responses:

- Please submit your responses by completing the online form at [bit.ly/scoutsreflectrefine](https://bit.ly/scoutsreflectrefine) by 5 October
- You can either complete the online form on a device as you undertake the discussion (preferred), or record the responses on paper during the discussion and copy them into the online form afterwards
- If you have any questions, please email [youth.program.support@scouts.com.au](mailto:youth.program.support@scouts.com.au).
