*Scouts Australia is a Child Safe organisation. Scouts Australia is inclusive of all, regardless of gender, sexuality, race, religion, or abilities and does not tolerate any form of harm, abuse, or neglect.*

### OBJECTIVE

The aim of Scouting is to encourage the spiritual, physical, intellectual, emotional, social and character development of young people to enable them to become resilient, self-confident and responsible citizens.

This is achieved through an active, adventure-based program, which develops initiative, teamwork and leadership skills so young Australians can attain their full potential, both as individuals and members of their local, national and international communities.

Scouting is the largest non-formal educational youth organisation in the World with over 50 million members. In Australia, Scouting has a membership of approximately 70,000, of which approximately 50,000 are youth members or young adults with the remainder being older adults supporting the delivery of the program.

### ROLE OBJECTIVE

The Australian Contingent is seeking to build a team of talented, dedicated, and enthusiastic Scouting people to lead the participation of Australian Scouts in the 24th [Aotearoa](#) New Zealand Jamboree.

As Program Lead, you will be part of the Contingent Management Team and work across the team to plan an outstanding international experience for Scouts from across the country. You'll lead planning and delivery of the Contingent program, include pre and post tours. This will include oversight of the Program Team and booking and coordination of activities. You will work closely with the Assistant Contingent Leaders and the Youth Patrol to ensure our program is adventurous, fun, challenging and inclusive.

This is a co-leadership position. Our team will include two Program Leads: a young adult looking to develop their skills in International Scouting, supported by a skilled operator. This structure is intended to develop a pipeline of leaders for future Scouts Australia International Contingents. This position is available to a young adult or an experienced supporting adult. As the Program Lead, you will report directly to the Contingent Leader. Depending on the size of the Contingent, you may have team members reporting to you in this role.

The Contingent Leader and Deputy Contingent Leader will support you to grow into this role over the next 18 months.
