General Guidelines: It is recommended that an approval be obtained when photographing or videotaping a minor (under 18). Parent or guardian signatures are required; signatures of minors are not sufficient. When images are published, Scouts Australia will take cautionary steps to provide minimum identifying information and will not use specific street or mailing addresses, e-mail addresses, or phone numbers. Photographs during a photo-shoot or video footage organised by Scouts Australia must be done only with Scouts Australia's permission and with signed release forms from a parent or guardian of each child. It is the responsibility of Scouts Australia to obtain signed release forms and maintain records.
