CONTINGENT SHOUTOUT

Dominic, Eva, Skyler, Miro

I want to nominate this group of people for pushing me to my limits this camp, introducing me to NZ culture, encouraging me to be a better person, and for always being up for everything.

Millie S

Such a positive and uplifting person, so easy to talk to and is always happy to make a new friend.

HELPFUL TIP OF THE DAY

Halfway through Phase 2 is a great time to find balance. Make space for both the big moments and quiet breaks, looking after your body and mind helps you get the most out of the rest of the journey.
