Phases 1 and 2 of Venture have officially wrapped up after an incredible journey across Aotearoa. From epic Phase 1 expeditions filled with challenge and adventure to the high-energy onsite experience of Phase 2, our Contingent has made memories, friendships, and stories that will last a lifetime.

While Venture may be complete, the adventure continues, around 200 members of our Contingent are now heading to Queenstown for Post Tour, ready for the next chapter of excitement and exploration.

CONTINGENT SHOUTOUT

Max W

Max is the definition of what a leader should be. He constantly goes above and beyond to ensure his youth have an amazing time, pulls 20 hour days because he works in all areas of the camp, such as logistics and planning for phase 1 or doing the dishes and cleaning up at 2am. He is loved by all who knows him.

Josh P

Keeps going no matter the circumstances, can always make a joke out of a situation

HELPFUL TIP OF THE DAY

Finish strong and start smart. On your last day, take care of yourself and your gear, and when you get home, rest and ease back into routine to recover and enjoy the memories.

Boo
