

16TH NEW ZEALAND VENTURE - AUSTRALIAN CONTINGENT

VENTURE VOICE

ISSUE 13 - AFTER VENTURE

POST TOUR BEGINS

Post Tour is officially underway, starting with a relaxing pool day, lunch at Joe's Garage, and an adrenaline-filled jet boat ride. We finished the day with a traditional Māori hāngī, where food is slow-cooked underground on heated stones, bringing everyone together over a shared meal. We also learnt about Māori welcome traditions and their meanings, including the hongi, the traditional nose-to-nose greeting that symbolises respect, unity, and connection, marking a warm and meaningful welcome as we begin this next part of the journey.

HELPFUL TIP OF THE DAY

Post Tour starts today, ease into it. Stay hydrated, pace yourself, and listen to your body so you can enjoy the adventure ahead without burning out early.
