Post Tour has been packed with unforgettable experiences, blending adventure, exploration, and fun. From canyoning and white water rafting to the adrenaline rush of ziplining, participants have been pushing their limits and embracing the outdoors. Time has also been spent exploring Queenstown, tackling Drift and Dash in buggies, and soaking up the incredible natural surroundings. The action didn't stop after dark either, with the night wrapping up in style with go-karting and arcade games at Game Over, the perfect mix of adrenaline and laughs all around.

## CONTINGENT SHOUTOUT

### Kathy P

Kathy has made the trip feel relaxed and enjoyable by communicating clearly, offering great packing and travel advice, and supporting us throughout. In New Zealand, she's encouraged us to take ownership of our program while trying new things and exploring new places (including some excellent ice cream!). She's made the start of Venture a great experience and helped us connect with New Zealand Venturers before it began.
