## PHASE 2 INFO

Phase 2 brings everyone back to the main Venture site in Wellington for four days of choice, adventure, and fun!

Venturer Scouts can take part in a huge range of on-site activities, from high-adrenaline challenges and sports to creative workshops and chill zones, plus optional off-site adventures.

It's your chance to try new things, meet new people, and make memories together. Remember: some activities need bookings, and if you have any questions or issues, see a Venture Staff member.
