

NAAF Appendix 1

Appointment level for Outdoor Adventure Skills support

Use the following information to understand the minimum level of adult Scouting recognition required for a member to support verification of OAS "I..." statements, where two-down support is not available.

All Leaders are permitted to verify Stage 1-3 "I..." statements. You should self-assess your ability to understand and verify these "I..." statements. In most cases, an activity supervisor will be the appropriate person to provide additional guidance.

This information only relates to verification of OAS "I..." statements. Activity supervision and approval requirements are provided by each Branch.
